PROJECTS

ENTERTAINMENT WEBSITE
This webpage is a resource for entertainment lovers. It provides information about upcoming TV shows and movies, as well as a quiz to test your knowledge of entertainment trivia.

THEATRE BOOKING SYSTEM
This project aims to develop a theater booking system that allows users to book seats for theater online. The system will include a seat map of the theater, a payment processing system, and the ability to generate and print tickets.

HOBBIES AND INTEREST

I have been playing video games since I was a child, and I have developed strong teamwork and problem-solving skills through online gaming. I am also a passionate MMA fan, and I am dedicated to physical fitness and personal development. In my free time, I enjoy watching and discussing movies with others.
